

Ariel Square Side Table

Named after the spirit in Shakespeare's *Tempest*, the Ariel side table is light, airy, and dramatic. The geometric base is made in steel and looks great in any of our standard or specialist finishes. For the top, you can choose between an array of glass options or marbles. Explore our full expanse of finishes and materials here. This piece is also available as a circular side table alongside a range of other designs in the larger Ariel collection.
