

Cloud Side Table

The Cloud collection celebrates the forms found in nature, articulating them through traditional blacksmith's techniques. The legs of this marble side table are made individually, with each one hammered by hand to produce a rich, textured effect and a tapered form. The marble top appears to float above the frame, evoking a sense of delicacy and balance. The Cloud top can be made with any of our marbles and the legs can be made in either steel or bronze.

Materials:

Frame: Hammered Steel, Top: Marble

Finishes: Standard or Specialist

Lead Time:

10 Weeks
