

Empire Mirror

The Empire mirror combines soft corners with bold edges for a streamlined, classic look. It's especially effective in a hallway or a conservatory, amplifying light and bringing a touch of visual intrigue. It also looks beautiful suspended above a console table, or perched on a mantelpiece. This modern mirror is available on a made-to-measure basis and can be finished in any of our specialist or standard finishes. Opt for antiqued glass for a bit of added character or stay with clear glass for a more contemporary mirror.
