

### *Hanover Rectangular/ Square Coffee Table*

The Hanover is a contemporary coffee table with a simple yet sophisticated look that suits any scheme. Its svelte legs are made by hand to ensure perfect proportions as they taper towards the floor. The base is linked by sweeping curves which intersect to add dynamism against a rectilinear frame. Top yours with either glass or marble to complete the polished effect. The Hanover design is available in rectangular, square, and round formats, any of which we can tailor to your preferred dimensions.
