

Lily Ottoman Coffee Table

With undulating sides and a fully cushioned top, the Lily ottoman coffee table is a stunning focal point for any room. The shape takes its cue from the organic silhouette of a lily pad, giving it a natural inflection and a lovely softness. The rounded format also introduces an ease of movement around the piece, which really elevates a sitting area. It's available in any of our standard or specialist finishes, upholstered in either leather or a fabric of your choice.
