

Lily Single Pedestal Dining Table

The Lily round dining table with a single pedestal base reimagines a classic Tom Faulkner shape, blending simplicity with sculptural elegance. The sleek glass top highlights the pedestal's graceful, organic curves, creating a striking focal point that combines strength with delicacy. We find it works exceptionally well as a feature table in a foyer, setting a design-forward tone upon entry. Of course, it's also perfect as a dining table, the pedestal base leaving lots of uninterrupted legroom and the circular top encouraging a convivial seating arrangement.
