

Memphis Oval Coffee Table

The Memphis combines flowing curves with crisp craftsmanship to produce a soft yet contemporary design. This oval coffee table starts with an airy metal frame, creating a sense of openness. A clear glass top heightens the effect, giving the piece a minimalist, almost futuristic feel. The oval format facilitates a smooth flow of movement around the table and can be made to the bespoke dimensions of your choice. To get a sense of the ideal sizing for you, we'd recommend a look at our Coffee Table Size Guide. You can then further customise the Memphis in your choice of standard or hand-painted specialist finish.
