

Papillon Round Coffee Table

The Papillon is a vibrant, colourful coffee table with a carefully handcrafted metal base. We can custom make it to your preferred dimensions and top it off with your choice of metallic or powdercoat finish. If you're looking for a stand-out statement coffee table, consider a dichroic glass top, which plays with light as it filters through, sending rivers of colour cascading over the base. As a circular coffee table, the Papillon works beautifully to facilitate flow of movement, retaining a light and open feel.
