

### *Papillon Round Cocktail Trolley*

Our Papillon drinks trolley is a roving feature piece with a uniquely organic form. For this collection Tom looked to nature, finding inspiration in the richly patterned, iridescent wings of butterflies. This modern bar cart is a wonderfully functional friend to those who like to entertain, with its compact, double-tiered format. You can choose from any of our standard, specialist, or 'Butterfly' finishes to make it sing in your space. Pair yours with a dichroic glass top and it's bound to be just as exciting as its contents.
