

Papillon Screen

This room divider is the centrepiece of the Papillon collection. It makes a bold statement in any room, introducing an artistic flavour. You can use it to define distinct zones in an open plan home, or simply treat it as an art piece. The screen is made from watercut aluminium, with the option of adding panes of dichroic glass for a particularly dynamic effect. You can choose from a vast range of finishes, including our 'Butterfly' colourways, which were specially developed to suit this collection.
