

Vale Dining Table

The Vale is the latest addition to the Tom Faulkner collection of dining tables. The base is made of two shapely, finely-edged forms inspired by Tom's frequent visits to the North Devon coast. The smooth, refined roundness of the originally craggy rocks catalogues the passing of time, producing a grounded quality which is echoed in the Vale. The combination of this designer dining table's coexisting linear and curved qualities gives the piece a duality that's sure to intrigue. This strong, elemental design with clean, bold lines is indicative of Tom's design principles, founded in impactful minimalism. Tom's elegantly contemporary forms are timeless, this particular table confidently capable of working itself into a wide range of interior schemes with a laid-back authority.

Materials:

Base: Steel Top: Glass, Marble

Finishes: Standard, Specialist

Lead Time:

10 Weeks
